

Milton Pony Club Badge Program

Milton Pony Club offers badges to award each topic the member has demonstrated knowledge (HM) or skill (riding). We have customized our program to be slightly different than the program offered by the national office so we do not utilize the manuals they sell. Anyone can earn a badge based on the level they are at today and do not need to start at the D1 level to participate. The attached chart shows what each level would need to demonstrate to earn their badge. Not all badges are available at the D1 or D2 level, some have to wait until D3 skills/knowledge have been demonstrated. These are meant to be earned over time and represent the work they have put into being ready for their certification level.

If you would like to participate, please check the items you would like to purchase below. You can choose to do Horse Management, Riding or both. You can then choose to purchase a ribbon, tote or pad to display your badges on as you earn them. Turn in this sheet and you will be sent a link to make payment based on what you owe. The club will order the items for you.

Horse Management Badge Set of 15 - \$51

☐ Riding Badge Set of 10 - \$34

☐ Badge Ribbon - \$6.50

Pony Club Tote Bag – \$19.50 (green, navy, royal blue, orange, red)

☐ USPC Pad - \$39
